About This Game

This is a casual simulation development game.

Players choose to play a role in the fantasy forest. The first task is to decorate and protect their cabins. At the same time, they meet some strange friends who seem to have known each other and help them unlock the plot. There is no end to the game.But the plot will end. (The main purpose of games is leisure development). Players need to constantly explore the secrets of the world.

(considering the production of DLC)
(The game is automatically archived every day. Please press the exit button to save it when you quit the game.)

I hope this game can help you get a good mood and feel relax.
The game will be often updated in 6 months - 1 year.
